**STATEMENT ACCOMPANYING SUBSTITUTE SEQUENCE LISTING**

Hon. Commissioner of Patents  
and Trademarks  
Alexandria, VA 22313-1450

Sir:

Responsive to the Notice to Comply dated January 26, 2004, and in compliance with the Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures, we submit attached hereto a (1) a computer readable form of the sequence listing, and (2) a paper copy of same (within the text of the application filed concurrently). In accordance with 37 CFR 1.821(f), it is submitted that the contents of the paper copy and the computer readable copy of the sequence listing are the same. Neither the paper copy nor the computer readable copy includes new matter.

This sequence listing is intended to **substitute** for the sequence listing submitted December 16, 2003.

We believe that the application complies with the Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures.
